Life Member Feature

Hugh F. Williams, Jr Class of 1973

Hugh became a lifetime member of DSUAA in 2015, the same year he retired from the US Department of State as a career member of the Senior Foreign Service with the personal rank of Minister Counselor. During his 38 years of distinguished service as a Foreign Service Officer, he held numerous positions overseas and domestically and was the recipient of multiple Meritorious Honor performance awards and the Department's Superior Honor award.

His wealth of experience at U.S. diplomatic missions abroad were developed during assignments in Hong Kong, Canada, Malaysia, India, Indonesia, Belgium and Jamaica. Additionally, he held a variety of positions domestically in the bureaus of Human Resources, Consular Affairs and African Affairs. Most satisfying for him professionally was his tenure as Diplomat in Residence at Florida A&M University, Spelman College and at Morehouse College where he designed and taught a course entitled "Pathways to Diplomacy and Global Leadership". He also served on multiple Foreign Service promotion boards at the Department of State and on selection panels for the prestigious Thomas R. Pickering and the Charles B. Rangel international fellowship programs administered by the Ralph J. Bunche International Affairs Center at Howard University.

Prior to joining the Foreign Service, Hugh taught Math as a Peace Corps Volunteer (PCV) in Sierra Leone, West Africa, at inner city public schools in Philadelphia and as an adjunct professor at Delaware State University. He was honored nationally by the Peace Corps in 2014 with the Franklin H. Williams award in recognition of his efforts to promote and advance opportunities for service as volunteers within ethnically diverse communities. Beyond his BSc in Math from DSU in 1973, he also earned Masters degrees from Texas Southern University and the Air War College respectively. Additionally, he received French and Malay language training at the National Foreign Affairs Training Center where he also received extensive professional development training in senior management and executive leadership.

A past recipient of the DSUAA distinguished alumnus award, Hugh maintained his engagement with DSU over the years as a financial supporter, through active membership of his local DSUAA chapter and when he served as a DSUAA national officer (2018-20). He is a member of the Omega Psi Phi fraternity, a husband of 43 years, a dad and a proud grandfather. He is an active member of New Bethel AME Church in Lithonia, GA where he serves on the Stewards Board and the Community Development Corporation Board. He is a member of the Oglethorpe University Museum Association advisory board in Atlanta and serves as Executive Director for a non-profit organization that he helped to establish to raise funds to build a new school for mentally disabled children in Chennai, India. He is the national president of the Williams and Locke family reunion organization which has been celebrating this annual tradition for the past 109 years. Today, Hugh makes his home in Stone Mountain, Georgia.

NY CHAPTER

@DSU_NY

The Metro/New York Chapter participated in the 130th Anniversary of Delaware State University. Chapter President, Renee LeGendre and Joseph Collins enjoyed the day's festivities and reminisced over their wonderful times on campus. The historical day was amazing, and to witness the years of rich memories will never be forgotten.

Chapter President, Renee LeGendre and DSU Board Trustee & classmate, John Ridgeway

Prior to the pandemic, the Metro/NY Chapter partnered with the Greater New Jersey Chapter for an Alumni Cookout Event

The Metro/NY chapter gathered to celebrate the holiday season. The group met at The Lobster House on City Island, Bronx, NY. Members had a great time enjoying delicious seafood, and selected beverages. There was awesome conversation sharing memorable DSU stories.

Metro/NY Chapter member, Joseph Collins, Dr. Lorene K. Robinson, and the late Frankie Manley pose for the camera.

On August 7, 2021, the chapter held a "Summer Chat & Chew" at the historical Kensico Dam Plaza, Valhalla, New York. The venue is centrally located in mid Westchester County, NY. Due to COVID and the monthly zoom meetings, the chapter was eager to meet at an outside setting and bond with each other. The event was organized by Chapter President, Renee LeGendre. It was absolutely a beautiful day to come together with alumni, family and friends. The chapter's goal is to continue to increase membership and serve DSUAA. Those in attendance recommend this event should be held annually.

Sussex County Alumni Chapter President Bernard W. Carr (picture in photo) was among those who donated blood at DSU on March 2, 2022 in Memorial Hall at DSU. Photo by: Haiti Voltaire

There is a nationwide shortage of blood in reserve and the state of Delaware's supply is no exception. Low donor turnout, and blood drive cancellations due to bad weather and the pandemic are the leading reasons. Accordingly, the Blood Bank of Delaware, Bayhealth and Delaware State University Athletics partnered together to organize a blood drive event entitled "Ballin for Blood". The purpose of the initiative was to raise awareness of the importance of giving blood and to help save lives by increasing the blood supply in local communities. The event was held on Wednesday, March 2, in Memorial Hall gym on campus.

On Saturday, February 26, Bayhealth began the campaign at the DSU Alumni basketball game double header against Morgan State University. Donors could sign up to donate blood a few days later. Donors were rewarded with ten dollar Chick-fil-A gift cards, courtesy of Bayhealth, plus the chance to win an Apple Watch. DSU donated free t-shirts and blankets.

On the Eastern Shore nearly 79,000 blood donations are needed each year, according to the Blood Bank of Delaware. They also informed that a single unit of blood can save up to three lives. The campaign ended with 33 units. It's never too late to donate. Anyone interested in donating blood should visit delmarvablood.org or call 888-8-BLOOD-8. The Blood Bank of Delaware has donor centers in Dover, Newark, Dagsboro, and Salisbury Maryland. It also hosts mobile drives throughout Delmarva.
