Chaplain's Chat

Some words of inspiration shared by our DSUAA Chaplain throughout the month of August.

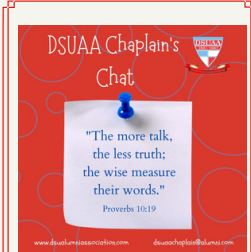

Motivation for Monday, Hornets! Let's begin the week by repeating this statement everyday! You got this!

Let's goooo, Hornets! Make it a magnificent Monday!!

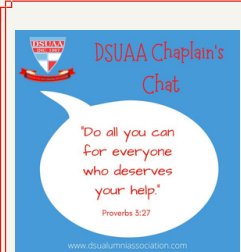

Our personal opinions and feelings may not always be factual...but God's word is TRUTH for sure!

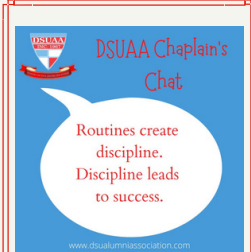

"Wisdom from the Word"...
You can never go wrong when you watch your words! Sometimes you just gotta LISTEN!

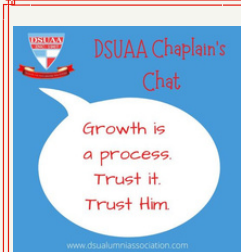

As you begin the week, be reminded that FEELINGS are not FACTS! Let His TRUTH be your guide.
Now let's goooo, Hornets! Make it a magnificent Monday!

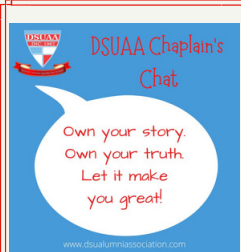

What a great way to begin the week...with the thought of helping someone else!
Make it a magnificent Monday, Hornets!

Hornets!!! What's your routine? It's never too late to create one! Now, go out and create a magnificent Monday!!

Don't rush the process, trust the process. He knows what He's doing!
Have a fabulous Friday, Hornets!

Hold your head high, Hornets! Your story is your story.

Greater Hampton Roads (VA) Chapter

On Wednesday, August 4, 2021, the Greater Hampton Roads Chapter sponsored their first Meet & Greet Youth Aviation Career/ College Fair at the Middle Peninsula Regional Airport in Mattaponi, VA. The keynote speaker was Lt. Col. Michael Hales - DSU Director of Aviation Programs who gave a dynamic presentation on the DSU Aviation Program. Also, Dr. Wilma Mishoe accompanied him on the flight to support the Alumni Chapter. Her presence was much appreciated!

There were students throughout the Hampton Roads and Richmond area who participated in the event. Both students and parents were very impressed with the program and we received an enormous amount of positive feedback. Afterwards, refreshments were served to the participants and they were provided DSU paraphernalia/information on the Aviation Program

Metro NY Chapter

On August 7, 2021, the chapter held a "Summer Chat & Chew" at the historical Kensico Dam Plaza, Valhalla, New York. The venue is centrally located in mid Westchester County, NY. Due to COVID and the monthly zoom meetings, the chapter was eager to meet at an outside setting and bond with each other. The event was organized by Chapter President, Renee LeGendre.

It was absolutely a beautiful day to come together with alumni, family and friends. The chapter's goal is to continue to increase membership and serve DSUAA. Those in attendance recommend this event should be held annually.

The provided pictures include photos of Arnold with the Commander CFI Pilot Ian (from Cameroon); our DSU CFI 's and Lt. Col. Hales.

Our DSU Aviation Program conducted a very special graduation ceremony for the U.S. Air Force JROTC eight-week summer program in August. The special guest speaker was NASA astronaut Commander Victor J Glover.

The 'Sunshine Chapter' President Arnold Nearn attended the ceremony, checked and visited in with our own DSU Aviation students while in Dover. Our recent aviation June graduates are now certified flight instructors who served as pilot instructors and mentors to program participants. The CFI 's are also working to acquire the required flight hours to meet the commercial airlines employment requirements. Graduate Jai Shah informed Arnold that he leaves in three weeks to join Republic Airlines as a copilot. Arnold states, "It's gratifying and delightful to see them grow up and spread their wings into the future fulfilling their dreams".

Blacks in Cybersecurity

Blacks in Cybersecurity, known as "BIC", was founded by Michaela Barnett, DSU Class of 2017 Graduate. Michaela received a Bachelor's degree in Computer Science and was a member of the DSU Delta Lambda Chapter of Alpha Kappa Alpha Sorority Incorporated. BIC seeks to ignite a cultural change in the Black community through their Cybersecurity education and career pipeline initiatives. BIC seeks to educate and operate in a way to expose Cybersecurity as a hobby and outlet that can be experienced in any walk of life, in a casual and no-pressure environment. BIC was founded by DSU graduates and still is engaged with current DSU students.

On August 8, 2021 Blacks In Cybersecurity was able to make Black History by having the honor and privilege of being the first black owned and operated competition to be present and present a Black Badge to the winners of their BIC Village Capture The Flag Competition. The DEF CON Black Badge is a "powerful talisman", awarded only to those who have emerged unbeaten from the crucible of an elite DEF CON competition.

The competition that receives this badge varies from year to year and seeks to highlight the very best in competitors and challenge creators. Those who receive the badge enter DEF CON free of charge for the duration of their natural life.
