

NURSING IN FINLAND

BACHELOR OF HEALTHCARE (NURSING) ON
EU LEVEL 1 YEAR TOP-UP PROGRAM

Arcada University of Applied Sciences (AUAS)

Arcada is a multidisciplinary university of applied sciences in Finland. At the international campus in Helsinki, over 2,700 students and 170 employees work at the forefront of change and development. Arcada conducts research relevant to society and provide lifelong learning in business and IT, energy and materials technology, health and welfare, culture and media, and healthcare. Together with our partners, we open doors for Nordic cooperation of global relevance.

Eligibility criteria

This Nursing Top-Up program is for an applicant who has -

- A Nursing degree completed outside of Finland.
- Work experience preferred. Candidates without experience are also eligible to apply.
- Any age, not a barrier.

FINLAND IS...

The Happiest Country in the World!

The Greenest Country in the World!

Finnish Education is the finest in the World!

Program Highlights

- Bachelor of Healthcare (Nursing) on EU level 1 year Top-up program
- Get certified as a Euro Nurse after the program
- Work for 30 - 40 hours per week earning credits resulting in the award of the degree
- Earn between Euros 1,750 to 2,000 per month as an intern while you study
- Earn back your investment in 6 to 8 months
- Earn between Euros 2,500 to 3,500 per month with your Full-time Job

Arcada's Nursing Top-Up degree program is aimed at you who already have a Bachelor's Degree in Nursing completed outside of Finland, work experience and upper basic skills in Finnish.

The Top-Up program offers internationally educated nurses the possibility of obtaining a Finnish Bachelor of Health Care, 210 ECTS, in approximately one year.

This is possible through accreditation of former studies, practical training and work experience up to the extent of 150 ECTS, leaving to study the remaining credits that have a specific focus on EU and Finnish competencies.

Courses are built on a multiform principle. Methods used in this format may include lectures (online and in-house), individual reading assignments, workshops, case-based exercises, simulations, web-based courses, real-life projects and work practise.

Fees for the Program

- Fees for BSc, MSc and PB BSc candidates is €12,500 & INR 1 lac for 12 months
 - Fees for GNM candidates is €12,500 & INR 1 lac for 18 months
- Living costs in Finland are extra and as per actuals.
