

## **JANUARY 2021**

KUTS Planning Group and Guests:

Hand in Hand Creative is wrapping up their work on the Voelkel mural this week. We will commemorate the completion of both their mural and Bill Tavis' Napa mural during a public reveal on **February 1st, 4pm**.

The event will start at the Voelkel building, with brief speaking presentations from seven individuals, lasting a total of about 25 minutes. The event will then move to Napa, where 5 speakers will present. We intend for the entire ceremony to last about an hour (including walking time). The event will be live-streamed on the KUTS Facebook page through the generosity of Aaron Yates and KerrvillePhoto.com.

Details are provided in the attached media release. This is an outdoor event, weather permitting - walking shoes encouraged. Masks required. Thanks,

Jeremy
