II TERMS FOR CONVERSION RIGHT OF THE CONVERTIBLE BOND

1. Conversion Right and Conversion Ratio

The Lender is entitled to convert the Promissory Note into the shares of the Company in accordance with the terms described below.

The subscription price of one (1) share of the Company shall be EUR 0.02 per share. The subscription price has been set on a level at which the Company expects to raise the additional financing it is seeking with this Convertible Bond.

One loan share of EUR 10,000 pursuant to the Promissory Note entitles the Lender to subscribe for 500,000 new shares or treasury shares of the Company. Based on the subscriptions made pursuant to the loan shares of the Convertible Bond, the Company shall issue a maximum amount of 30,000,000 new shares or treasury shares of the Company. The Company has one (1) class of shares.

Upon using the conversion right, a portion corresponding to the subscription price of a share shall be set off against the unpaid capital of the Convertible Bond. The subscription price of the shares shall be entered in entirety into the Company's invested non-restricted equity fund.

2. Conversion Period and Process Regarding Use of the Conversion Right

The Lender shall have the right to convert the Promissory Note into the Company's shares during the conversion period (subscription period of the shares) which begins on 1 December 2023 and expires on 30 June 2025.

The conversion of the Promissory Note into the shares shall take place pursuant to the subscription rules in accordance with the Finnish Companies Act. The Lender shall present to the Board of Directors of the Company a written conversion request which shall constitute the subscription of new shares. Each loan share can be converted into shares only in its entirety.

When the Board of Directors has received the conversion request and the Lender has assigned the Promissory Note to the Company, the Board of Directors shall approve the subscription of shares in accordance with the loan shares of the Convertible Bond. Within 30 (thirty) days from the presentation of the conversion request the Company shall file with the Trade Register notification with regard to entering the new shares to the Trade Register.

3. Shareholder Rights

The new shares of the Company, which have been subscribed for by using the conversion right of the Convertible Bond, shall have the similar rights with the Company's shares issued previously from the moment the new shares have been entered into the Trade Register.

4. The Rights of the Lender in certain special cases

If the Company during the loan period issues new shares in the share issue against the payment or issues new stock options or other special rights entitling to the shares referred to in Chapter 10 of the Finnish Companies Act so that the shareholders shall have the pre-emptive subscription right, the Promissory Note Holder shall have the same or equal right as a shareholder. Equality is reached by the means resolved by the Board of Directors of the Company by giving to the Lender the same priority for the subscription of share, and/or stock option, and/or other special right as referred to in Chapter 10 of the Finnish Companies Act, and/or by adjusting the exchange ratio of the Convertible Bond, and/or by giving the Lender the right to convert the Convertible Bond during other time as stated under Section II.2 above, or by combining the manners of proceeding as referred to above.

If the Company during the loan period issues new shares free of charge, the exchange ratio of the Convertible Bond shall be adjusted so that the percentual share of the shares to be converted by the Convertible Bond compared to all shares shall remain unaltered except for the part that the new number of shares to be converted by the Promissory Note would be a fraction. In the event that the above-mentioned division would not be even, the highest round figure that will fulfill the division to the whole shares will be applied.

If the Company during the loan period resolves to acquire or redeem its own shares or stock options or other special rights entitling to the shares pursuant to the Chapter 10 of the Finnish Companies Act through an offer directed to all shareholders or holders of the above-mentioned rights, an equal offer shall be made to the Lender. The redemption or acquisition of the shares and stock options or other special rights entitling to the shares referred to in Chapter 10 of the Finnish Companies Act shall thus be directed also to the conversion rights of the Promissory Note pursuant to the resolution of the Board of Directors. Otherwise the acquisition or redemption of own shares and stock options and other special rights entitling to the shares referred to under Chapter 10 of the Finnish Companies Act shall not require any actions from the Company with regard to the Promissory Note.

If the Company during the loan period distributes its funds in other means than what has been referred to in the previous section, the Lender shall not be entitled to participate in the distribution of the funds and the distribution of the funds shall not require any actions from the Company with regard to the Promissory Note.

If the Company is placed into liquidation during the loan period, the Convertible Bond shall fall due for payment at the moment when placing into the liquidation has been entered into the Trade Register.

If the Company during the loan period resolves on the merger or division, the Lender shall be reserved a right, during the time period set by the Board of Directors of the Company prior to the resolution on the merger or division, to convert the Promissory Note into shares. Alternatively the Lender shall be given the right to subscribe for the Convertible Bond issued by similar terms by the receiving company so that the subscription can be made on equal terms compared to the shares of the receiving company which have been issued to the shareholders pursuant to what has been resolved on the matter in the merger plan or division plan. After the above-mentioned time period reserved for the use of the conversion right or after the end of the subscription period of the new Convertible Bond, no conversion right shall exist anymore.

If a redemption right or redemption obligation of the minority shareholders referred to under Chapter 18 of the Finnish Companies Act arises, after the Company has received notification on the origin of the redemption right or redemption obligation, the right to convert the Promissory Note into shares during the time period resolved by the Board of Directors shall without undue delay be reserved for the Lenders. After the above-mentioned time period reserved for the use of the conversion right, no conversion right shall exist anymore.

5. Disputes

Disputes arising out of this Convertible Bond shall be settled by arbitration consisting of one arbitrator in accordance with the Arbitration Rules of the Finland Chamber of Commerce. In the event the parties to the dispute cannot agree on the arbitrator, the Finland Chamber of Commerce shall appoint the arbitrator. The place of the arbitration shall be Helsinki, Finland.

6. Other Issues

The Board of Directors shall be entitled to resolve on any other matter related to the Convertible Bond and the use of the conversion right.

Notifications to the Lenders shall be submitted by letters to the postal addresses notified to the Company by each Lender. A notification is deemed to have been delivered on the working day following the date of sending the notification.
