Parkview POA all of the annual assessments imposed by the Parkview POA under Article VIII of the Parkview Restrictions on such land from and after the date such land becomes "assessable" in accordance with the provisions of Article XI, Section 4.

6. The first paragraph of Article XI, Section 1 (a) will be amended to read in its entirety as follows:

Section 1. Annexation Without Approval of Membership.

(a) As the Owner thereof, or if not the Owner, with the consent of the Owner thereof, Declarant, its successors or assigns, shall have the unilateral right, privilege, and option, from time to time at any time until twenty (20) years from the date this initial Declaration is recorded in the Office of the County Clerk of Harris County, Texas, to annex and subject to the provisions of The Declaration and the jurisdiction of the Association all or any portion of the four tracts of real property containing approximately 316.029 acres, 137.9353 acres, 11.5090 acres, and 34.9618 acres, respectively, and more particularly described in Exhibits "A-1," "A-2," "A-3," and "A-4," respectively, attached hereto and by reference made a part hereof (collectively, the "Declarant Land") and all or any portion of that tract of real property containing approximately 75.1628 acres and more particularly described in Exhibit "A-5" attached hereto and by reference made a part hereof (the "Centennial Land") which is currently owned by Centennial Homes, Inc., a Texas corporation (including its successors and assigns, herein called "Centennial Homes"), which is the general partner of Declarant (the Declarant Land and the Centennial Land are herein collectively referred to as the "Annexable Land"), whether in fee simple or leasehold, by executing and filing in the Harris County Real Property Records a Supplemental Declaration annexing such property as more fully described below. Such Supplemental Declaration shall not require the vote of Members of the Association or approval by the Association or any person. Any such annexation shall be effective upon the filing of such Supplemental Declaration in the Harris County Real Property Records, unless otherwise provided therein.

7. The Declaration will be amended by adding the following paragraph after the end of Article XI, Section 1 (a):

Notwithstanding the foregoing, however, it is expressly stipulated that no Assessments shall be due with respect to any Assessable Tract in portions of the Centennial Land annexed herein (if any), notwithstanding that such tract may be an "Assessable Tract" at an earlier time, until the calendar year during which the earlier of the following two events occurs (i) sale of such Assessable Tract by Centennial Homes to a Builder or other Owner (other than in a bulk sale by Centennial Homes of the entire remainder of the Centennial

Land to a person designated in writing by Centennial Homes as succeeding to the rights of Centennial Homes as to deferred assessability hereunder), or (ii) commencement of construction of a Living Unit on such Assessable Tract. The Owner of each Lot in annexed portions of the Centennial Land shall, for the calendar year during which such Lot becomes "assessable" as hereinabove provided, be liable only for a pro rata portion of the Base Annual Assessment due for that year, based on the portion of said year remaining after sale or commencement of construction, as the case may be. The "assessability" determination set forth above shall be made on a Lot-by-Lot basis, and the sale or commencement of construction of a Living Unit on one Lot shall not cause any other Lots to become subject to Assessments unless and until such other Lots independently meet the conditions set forth in the second preceding sentence hereof. No change shall be made to this Section 1 of this Article XI without the prior written consent of (i) those Owners holding at least seventy-four percent (74%) of the votes of the Lot Owners in such portions of the Centennial Land as have been annexed herein, (ii) Centennial Homes, for so long as Centennial Homes owns any of the Centennial Land, and (iii) Declarant, so long as Declarant is the Owner of any of the Property. Further, in connection with the annexation of the Centennial Land, Declarant shall have the right, among its other rights pursuant to the provisions of Article I, Section 13, to assign to Centennial Homes, on a non-exclusive basis, the rights of Declarant as a Class B member of the Association. Centennial Homes is an intended third-party beneficiary of this Article XI, Section 1. Centennial Homes has no obligation to annex or consent to the annexation of any portion of the Centennial Land into the Declaration or into the jurisdiction of the Association.

8. The Declaration will be amended by inserting the following Article XI, Section 4 after the existing Article XI, Section 3:

Section 4. Annexation of Adjacent Land Owned by West Houston Residential Development Partners. West Houston Residential Development Partners, a Texas general partnership (including its successors and assigns, herein called "West Houston") of which Trendmaker, Inc. is the Administrative Partner, is the current owner of those certain tracts of land which contain approximately 72.0726 acres and 23.9614 acres, respectively, located across Barker Road to the east of the Annexable Land, which tracts are more fully described on Exhibits "C-1" and "C-2" attached hereto and by reference made a part hereof (hereafter collectively referred to as the "West Houston Land"). West Houston may, but is not obligated to, subdivide and plat the West Houston Land into any configuration or any number of lots as it elects in its sole discretion.

Declarant, with the consent and joinder of West Houston, shall have the unilateral right, privilege and option (but shall not be obligated), from time to time to annex and subject to the provisions of The Declaration and the jurisdiction of the Association, all or any portion of the West Houston Land, by executing and filing a Supplemental Declaration to that effect in the Harris County Real Property Records. Such Supplemental Declaration annexing the West Houston Land or any part thereof shall not require the vote of Members of the Association or approval by the Association or any person. No such annexation shall be effective until the Supplemental Declaration (i) has been filed in the Harris County Real Property Records, and (ii) a copy of such recorded Supplemental Declaration has been delivered to the Association.

Any such annexation or addition shall be accomplished by the execution and filing of a Supplemental Declaration conforming to the requirements of the immediately preceding paragraph hereof and paragraph 3 of Section 1 (a) of Article XI of this Declaration. In addition, Declarant hereby acknowledges that a portion of the West Houston Land is subject to certain assessments imposed by The Parkview Center Property Owners Association, Inc. (the "Parkview POA") pursuant to the Parkview Restrictions and that the Parkview POA provides to a portion of the West Houston Land (and/or the main esplanaded boulevards serving such land) some of the same services provided by the Association to the rest of the Property. Therefore, it is stipulated and agreed that the amount of Base Annual Assessments for the Lots in the annexed portions of the West Houston Land that are also subject to the Parkview Restrictions (herein called the "Dual Association Lots") shall be calculated for each year as follows:

(a) A calculation shall first be made of the amount of the Base Annual Assessment that would be necessary for all Assessable Tracts in the Association if all Assessable Tracts (except Green Trails Village Land lots) were to receive a 100% assessment, as if the then levied Parkview POA annual assessments for all Dual Association Lots were a line item of the general budget of the Association; then

(b) The Base Annual Assessment against the Dual Association Lots which are "assessable" as set forth in the following provisions of this Article XI, Section 4 shall be reduced from the full assessment level by an amount equal to the annual assessments then being levied by the Parkview POA on such Dual Association Lots, and the annual assessments imposed by the Parkview POA on such Dual Association Lots shall be allocated solely to and paid solely by the Dual Association Lots as a supplement to the Base Annual Assessment (the "Parkview Supplemental Base Annual Assessment") so that the aggregate Base Annual Assessment against the Dual Association Lots (inclusive of the allocated annual

assessments imposed by the Parkview POA on such Lots) will equal the Base Annual Assessment on all other Assessable Tracts.

Nothing contained in the foregoing paragraph shall be construed or interpreted as affecting any provisions of this Declaration with respect to the assessment of Special Assessments, which Special Assessments shall be levied on a uniform rate against all Assessable Tracts, including Dual Association Lots.

Notwithstanding the foregoing, however, it is expressly stipulated that no Assessments shall be due with respect to any Assessable Tract in portions of the West Houston Land annexed herein (if any), notwithstanding that such tract may be an "Assessable Tract" at an earlier time, until the calendar year during which the earlier of the following two events occurs (i) sale of such Assessable Tract by West Houston to a Builder or other Owner (other than in a bulk sale by West Houston of the entire remainder of the West Houston Land to a person designated in writing by West Houston as succeeding to the rights of West Houston as to deferred assessability hereunder), or (ii) commencement of construction of a Living Unit on such Assessable Tract. The Owner of each Lot in annexed portions of the West Houston Land shall, for the calendar year during which such Lot becomes "assessable" as hereinabove provided, be liable only for a pro rata portion of the Base Annual Assessment due for that year, based on the portion of said year remaining after sale or commencement of construction, as the case may be. The "assessability" determination set forth above shall be made on a Lot-by-Lot basis, and the sale or commencement of construction of a Living Unit on one Lot shall not cause any other Lots to become subject to Assessments unless and until such other Lots independently meet the conditions set forth in the second preceding sentence hereof. No change shall be made to this Section 4 of this Article XI without the prior written consent of (i) those Owners holding at least seventy-four percent (74%) of the votes of the Lot Owners in such portions of the West Houston Land as have been annexed herein, (ii) West Houston, for so long as West Houston owns any of the West Houston Land, and (iii) Declarant, so long as Declarant is the Owner of any of the Property. Further, in connection with the annexation of the Centennial Land, Declarant shall have the right, among its other rights pursuant to the provisions of Article I, Section 13, to assign to Centennial Homes, on a non-exclusive basis, the rights of Declarant as a Class B member of the Association. West Houston is an intended third-party beneficiary of this Article XI, Section 4. West Houston has no obligation to annex or consent to the annexation of any portion of the West Houston Land into the Declaration or into the jurisdiction of the Association.

9. The Declaration will be amended by adding Exhibits "A-5," "C-1," and "C-2" attached hereto, which exhibits will be incorporated into the Declaration by this reference as if such exhibits had been fully and originally set forth in the Declaration.
