

Cave de Turckheim Pinot Blanc Tradition 2021

AOC Alsace

Born in Alsace, France, this beautiful Pinot Blanc is elegant and easy to drink. The nose is fresh and fruity with notes of fresh pear, apple and white peach.

The Terroir: Turckheim's unique position on two geological fault lines -- those of Munster's valley and the plain of Alsace -- combined with its rich variety of soil types (gravel, granite, chalk and clay) provides an ideal terroir for all the major grape varieties of Alsace to happily thrive.

Turckheim's vineyards have long been renowned. The town, which was an imperial city under the Holy Roman Empire, has been exporting its wines throughout Europe since the Middle Ages.

Since 1955, Cave de Turckheim winemakers have crafted these grapes into wines with an extraordinary range of qualities and flavors. All our wines are vinified in accordance with the AOC Alsace, AOC Alsace Grand Cru and AOC Crémant d'Alsace.

Alcohol: 12.5%

Varietal: Pinot Blanc, Auxerrois

Serve: This lovely wine pairs deliciously with fish, shellfish, poultry and pork, easily adapting from table to picnic.
