

Cave de Turckheim Gewurztraminer Tradition 2020

AOC Alsace

This spicy, complex wine from Alsace, France, delights the palate with the delicate flavors of rose petals and the fresh citrus zing of grapefruit.

The Terroir: Turckheim's unique position on two geological fault lines -- those of Munster's valley and the plain of Alsace -- combined with its rich variety of soil types (gravel, granite, chalk and clay) provides an ideal terroir for all the major grape varieties of Alsace to happily thrive.

Turckheim's vineyards have long been renowned. The town, which was an imperial city under the Holy Roman Empire, has been exporting its wines throughout Europe since the Middle Ages.

Since 1955, Cave de Turckheim winemakers have crafted these grapes into wines with an extraordinary range of qualities and flavors. All our wines are vinified in accordance with the AOC Alsace, AOC Alsace Grand Cru and AOC Crémant d'Alsace.
