Price List:  
January - June 2024

## SCHOCK Sinks: A design solution for the hub of every home

Schock invented the granite sink in 1979 and has been constantly reinventing it ever since. Handmade in Germany, Schock is renowned for their global leadership in manufacturing and distributing Granite sinks to the world. In fact, over 1.5 million Schock sinks are sold globally each year.

The kitchen has evolved enormously over the last 30 years. It has gone from a room to prepare meals behind closed doors to a gathering place and the hub of the home. Having a modern kitchen design with the latest fixtures and appliances is a priority for most households. Schock is renowned for its inspirational and variety of designs to help shape your dream kitchen. Let us take you through your Schock sink options.
