

The 'Player Course' is sprinkled with deciduous trees and classic white pines. This course takes players through our apple orchards and offers ample elevation changes throughout the design. The Player Course rewards well-positioned drives and accurate iron play with 34 bunkers protecting relatively small greens. This course can be played from 4,667 to 6,600 yards and offers a stellar mix of par 3's that average 210 yards from the tips. On holes 11 and 13, golfers are treated to 360-degree views of southern Connecticut's picturesque landscape.

Lyman Orchards is located at the junctions of Rt. 147 and Rt. 157 in Middlefield. The main entrances to the Golf Club is on Rt. 157.

## Blessed Michael McGivney Vocation Fund

The Blessed Michael McGivney Vocation Fund of the Connecticut State Council supports men studying for the priesthood or religious life throughout Connecticut.

It is interesting to note that tuition for one seminarian for one week costs an average of over \$250.00.

Funds raised from the Vocations Open will assist the State Council in their ongoing efforts to support vocations throughout Connecticut, while encouraging local councils to do the same.
