USP's	This course will enable you to explore the challenges of leading and motivating people. To develop skills and techniques to communicate and lead effectively. Understand leadership engagement and to feel motivated and confident in this skill. To empower leadership in others. Includes external case study. Also a management element to the course	The programme assists those progressing towards more senior leadership positions to develop strategic thinking, the ability to take on greater responsibility and more senior roles in the future.	For experienced operational leaders who have the potential, ability and ambition to reach senior leadership positions. Build on experience by gaining a unique insight into becoming a more strategic leader	This programme enables senior executives, to become more effective by exploring, with others at a similar level, responsibilities and challenges of strategic leadership. It includes difficult decision-making, the importance of looking after yourself and the personal aspects of developing support as greater levels of responsibility are achieved.	Leadership Development Programme is the leading executive level policy course for those engaged in the agricultural and land-based sector.	Scholars are able to travel anywhere in the world for a period of no less than 8 weeks to further their knowledge and understanding of their chosen study topic.	Open to those running or working in small to medium sized businesses in Scotland. Develop leadership skills within the rural sector	This programme focuses on the specific challenges and issues faced by senior women as they progress through their career. An opportunity to debate, discuss and reflect the unique skills and benefits that senior women bring to an organisation, preparing to progress within a male dominated organisation.
Duration	2 weeks (13 days residential)	Initial 2 day residential, followed by "part 2" 6 months later.	Initial 5 day residential, followed by "part 2" 6 months later.	Initial 2 day residential, followed by "part 2" 6 months later.	3 weeks (15 days residential)	8 weeks	2 Weeks	2 days
