

Director's Corner

Happy Spring!

This is our second year as an Eagle Wings chapter. Our first event of the year was Cabin Fever and it was a blast. We are including many pictures for you to enjoy. Please consider participating next year, you won't regret it. Our district officers go all out to bring us a great weekend of fun.

Next up is the spring officers meeting which is open to everyone. It will be Saturday, April 13th at Der Dutchman in Bellville, Ohio at 8 a.m.

If you would like to be more involved in our organization or just want to go on a road trip with a delicious breakfast buffet, let me know. We'd love to have you join us.

Our bimonthly dinner rides have already started and are always well attended. We are welcoming anyone wanting to volunteer to lead a monthly Mystery Ride this year. As always, we would help plan or even lead your route for you so share your favorite roads and attractions with us.

Buckeye Rally will be in Urbana on June 6-8th and we encourage all of you to come. I can't stress enough what a wonderful job our district does in planning this event. This year's theme is Three Ringed Circus! Come clown around with your Eagle Wings family.

June 21 and 22nd Eagle Wings has a Ride-In planned for Loveland, Colorado. If you've never ridden in the Rocky Mountains you don't know what you're missing. Talk to Dave B or send me a message if you're interested.

Our national Eagle Wings Rendezvous is in Green Bay, Wisconsin this year on August 29-31. It's only an 8 hour ride from here! The sign up sheets for all three events are in this newsletter.

There is much more to come! Get your motors running!

Your director,

Ron Good
