## PRESS RELEASE - 4.4.24

FOR IMMEDIATE RELEASE

### Declaring April 4, 2024, as Article 4 Section 4 Take Our Border Back Day

April 4, 2024, is now 'Article 4 Section 4 Take Our Border Back Day,' a landmark in our quest to protect national borders. This day marks a pivotal moment in our collective effort to safeguard the sovereignty and security of our nation's borders. The Take Our Border Back Convoy and Rallies held February 3, 2024, in California, Arizona, and Texas attracted over 10,000 participants across America. Millions were mobilized globally through mainstream media, print, radio, and social media platforms. This initiative has galvanized "We The People," and inspired a movement to demand accountability from officials to secure our borders and protect the foundational infrastructure of America."

#### Key Accomplishments Highlighted:

- **Texas Border Closure:** In an unprecedented move, Texas has taken decisive action to close its borders, reinforcing our national security and sovereignty.
- **Historic Impeachment Vote:** The House of Representatives has voted to impeach the Secretary of the Department of Homeland Security, Alejandro Mayorkas, marking the first impeachment of a Cabinet secretary in nearly 150 years. The charges levied against Secretary Mayorkas include a "willful and systemic refusal to comply with the law" and a "breach of public trust."
- **Elevated Media Coverage:** Mainstream media outlets have now begun to report on the border crisis, shedding light on the urgent challenges we face.
- **Global Awareness:** The movement has successfully raised awareness among millions worldwide, showcasing the collective power of Americans to enact change at local and state levels.
- **Spiritual Renewal:** A call to humility, prayer, and repentance has been embraced, inspired by 2 Chronicles 7:14, as we seek divine intervention to heal and restore our land.
- **International Alliances:** Strategic alliances have been forged with Canada and Mexico, laying the groundwork for future collaboration and united efforts.

Celebrating our achievements, we remain committed to our cause. Our work is far from over and we seek your continued support to one day ensure the complete security of our Southern and Northern borders. We stand together, as pledged by Article 4 Section 4 of the United States Constitution, **"the United States shall guarantee to every state in this Union a Republican Form of Government and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened), against domestic Violence."**
