

# PATHWAYS PRACTICE MENU

## Kinder

- Represent numbers
- Compare numbers
- Addition & Subtraction
- Geometry
- Measurement
- Data

## First Grade

- Represent & Compare numbers
- Addition & Subtraction
- Fractions
- Geometry
- Measurement
- Data

## Second Grade

- Represent & Compare numbers
- Addition & Subtraction
- Fractions
- Geometry
- Measurement
- Data

## Third Grade

- Represent & Compare numbers
- Addition & Subtraction
- Multiplication & Division
- Fractions
- Geometry & Measurement
- Data analysis

## Fourth Grade

- Whole number operations
- Fractions
- Decimals
- Geometry
- Measurement
- Data analysis

## Fifth Grade

- Whole number operations
- Fractions
- Decimals
- Geometry & Measurement
- Graphing
- Data Analysis

## Sixth Grade

- Rational numbers
- Equations & Inequalities
- Proportions
- Linear Relationships
- Geometry
- Data analysis

## Seventh Grade

- Number operations
- Equations & Inequalities
- Proportions
- Linear Relationships
- Geometry
- Data analysis

## Eighth Grade

- Real number relationships
- Equations
- Proportional Relationships
- Pythagorean Theorem
- Geometry
- Data & Finance

## Algebra 1 (coming soon)
