# I AM A MATHEMATICIAN

# Teacher Instructions

Round 1

1. Count to 100
2. Compare using words  
5 is \_\_\_\_\_ than 8  
17 is \_\_\_\_\_ than 11

3. Add  
 $2 + 4 =$                        $7 + 3 =$
4. Subtract  
 $10 - 2 =$                        $6 - 3 =$

Round 2

1. Count to 100
2. Compare using words  
9 is \_\_\_\_\_ than 2  
15 is \_\_\_\_\_ than 15

3. Add  
 $5 + 5 =$                        $6 + 2 =$
4. Subtract  
 $10 - 4 =$                        $5 - 1 =$

Round 3

1. Count to 100
2. Compare using words  
7 is \_\_\_\_\_ than 20  
20 is \_\_\_\_\_ than 10

3. Add  
 $6 + 2 =$                        $4 + 3 =$
4. Subtract  
 $7 - 6 =$                        $9 - 2 =$

# Round #1

**I can count  
to 100**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
compare**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can add**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
subtract**

Not Yet	Almost there	All the way
------------	-----------------	----------------

# Round #2

**I can count  
to 100**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
compare**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can add**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
subtract**

Not Yet	Almost there	All the way
------------	-----------------	----------------

# Round #3

**I can count  
to 100**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
compare**

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can add**

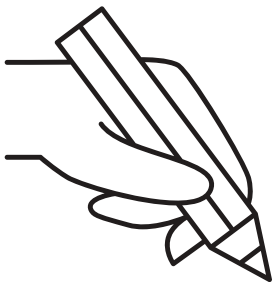

Not Yet	Almost there	All the way
------------	-----------------	----------------

**I can  
subtract**

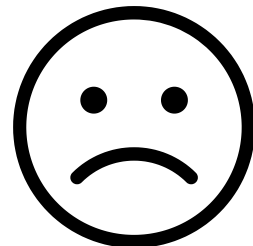

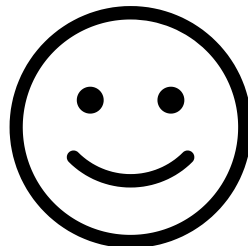

Not Yet	Almost there	All the way
------------	-----------------	----------------
