Olajide CELEBRITY HAIR STYLIST

Olajide is the Founder, and Principle Stylist for *Revolution Inside My Head*, a multicultural hair design company and online beauty supply. She has trained under Hollywood's most illustrious stylists and has worked in the hair industry for over 8 years. She has worked with numerous celebrities and her work has graced the pages of national magazines, television and film. She now presents her latest project *Revolution Inside My Head*.

Revolution Inside My Head is proud to be the online resource for celebrity stylist-recommended Hair Care products. She has taken the guess work out of customers search for the perfect product and provides her suggestions for tried and true products in an easy to use format.
