

5 DAILY LIFE AFFIRMING VERSES

ENCOURAGING FAITH | BUILDING HOPE | CONFIRMING LOVE

100  
Days

SPECIAL EDITION

CHARLYNN JOHNS

**A**s the world began to shift gears in early March of 2020, the sharing of five Biblical truths each day became more imperative with every newscast. What was real? What was fake? Is this a conspiracy or the end of the world? Even now, I don't have any more answers to those questions than I did in the beginning. This one thing I DO KNOW, the Word of God stands forever. The promises, the predictions, and the pathways of righteousness, offer help in times of uncertainty and sadness.

The Word of God has always held the answers and given hope. The Truth found within the pages recounts how people and nations wrestled with issues and cried out for a reason.

The "why" has never been an easy one to respond to, or to understand how a Holy God allows circumstances to spin wildly out of control.

This second Special Edition contains the first 100 days of five verses, I shared as the world began to shut down and shelter in place.

Download and share as often as you want. Find friends to read the verses with. Have a discussion on the quest, and on the questions that arise.

Use the lines to enter your thoughts as you walk out this journey of self-distancing and the strange days we find ourselves in. I pray these 100 days of hope serve as a light in the dark chaos of what we call COVID-19.
