This will be the 33rd year for our Charity Golf Tournament which has grown tremendously over the years. The proceeds from the tournament have traditionally supported the scholarship fund for our member's children as well as care for our veterans, particularly those that have been wounded in conflicts. We hope to have a great turnout as we did last year, so we can continue the work of our association for these great causes and have some fun times together. Hope to see you on the links. Last year we sold out. So if you want to join us get your registration in early. Be sure to include your email address on the line provided. Thank you.
