ערב שבת קודש פרשת כי תבוא, תשפ"ג

Dear OSYHS Family,

We are so excited to get started on our inaugural year at OSYHS! There is so much going on. Our beautiful new building continues to be enhanced, at an incredible pace. The Beis Medrash, classrooms, and accommodations will soon be ready for our incredible students and faculty. Most importantly, we are thrilled to welcome **new members** to our beloved faculty. We are fortunate to have such an impressive and top-of-the-line staff. Take a glance at some new members of our family:

Welcome!

Mr. Avi Fuchs is a teacher's teacher and a principal's principal. Coming to Ohr Shlomo with many years of both teaching and administrative experience, Mr. Fuchs has delivered on the demands of relevant and practical General Studies education. Mr. Fuchs has a MA in Special Education and is certified in many fields of advanced and formal education. Aside from his duties as Principal of OSYHS, Mr. Fuchs also runs a company that offers Lifeguarding and Swimming Instruction, and has trained hundreds in swimming safety and life-saving techniques.

After earning a B.S. in psychology, **Mr. Mark Vegh** spent several years in medical school as well as rabbinical school; ultimately deciding upon a career in education. Mr. Vegh has been teaching and tutoring various subject matter in the yeshivah system for two decades; although his primary fields are high school science and math. Aside from secular studies, he also functions as a Ba'al Kriah and Ba'al Tefillah in his shul - in addition to performing pulpit and administrative duties. Mr. Vegh is a people-person who loves to share information - both teaching and learning - with his family, peers, fellow congregants and students.
