Katherine Crawford

My name is Katherine Crawford and I grew up in the town of Didsbury, where we farm just west of Carstairs. We have a mixed farming operation consisting of both commercial and purebred sheep and cattle. I have been an active member in 4H for the last 9 years where I have shown cattle and sheep. I have learned lots of skills through 4-H, my favorite being judging. I have won trips with my judging and have participated in the National Youth Livestock Competition in Denver Colorado and also at Agribition in Regina, Alberta. I am proud of my own herd/flock that I have acquired over the years. My greatest achievement in 4-H was receiving my platinum award of excellence. I contribute my success in the Agriculture industry to my Great Grandfather and the legacy he left behind. As Grandpa Thurston said "you'll never work a day in your life, if you enjoy what you're doing". I graduated with honors and will be attending Fairview College this fall. I will be taking my Animal Health Technology, where I later want to specialize in grading embryos. I'm looking forward to the next journey in my life.
