

IN MEMORY OF SHEPHERDS PAST

This memorial came into being as a way to recognize and honor those who have made a contribution to the Canadian sheep industry.

Canadian Co-operative Woolgrowers in Lethbridge has agreed to donate wall space in their store to hang the board.

If there is a past producer who you feel has made a contribution to the Canadian sheep industry or who has positively influenced or helped you personally you are welcome to include them in this memorial.

To have someone's name added simply fill out the form at the bottom of the page and send it to Warren or Norine along with \$10.00 to cover the cost of having their name put on the board.
