“There is much suffering in the world - physical, material, mental. The suffering of some can be blamed on the greed of others. The material and physical suffering is suffering from hunger, from homelessness, from all kinds of diseases. But the greatest suffering is being lonely, feeling unloved, having no one. I have come more and more to realize that it is being unwanted that is the worst disease that any human being can ever experience.”

- Mother Theresa

It is the objective of Dare to Care for the Homeless to provide a true sense of community by providing a place for all people to serve and be served. Regardless of educational, social, vocational, or individual merit.

Dare To Care For The Homeless is a charitable organization with the mission to serve people experiencing homelessness in Southern California with food, hygiene, clothing and job placement assistance.

WHAT DIFFERENTIATES DARE TO CARE FOR THE HOMELESS?

We do not charge people experiencing homelessness any fees for any type of information, food or clothing. Services are given free of charge to those who qualify. We do not use our resources for religious or political gain.

We are currently seeking volunteers that would like to assist in the distribution of food, clothing, and hygiene products. We are in search of people to help us raise awareness about the social problem of homelessness. We are looking for individual, professional, and pro-bono volunteers.
