Greetings,

My name is George Rehtin, and I am the President and founder of Cruising to Combat PTSD, a 501(c)(3) non-profit organization and we are hosting our 5th annual Cruising to Combat PTSD motorcycle benefit ride, silent auction and raffle on September 23, 2023, which will be held at Longneck's Sports Grill located at 12919 Frogtown Connector Road, Walton, KY 41094. This event not only helps raise funds for Cruising to Combat PTSD, but it will also raise awareness for our cause across the community.

At Cruising to Combat PTSD, our mission is to advocate for our brothers and sisters suffering from PTSD (veterans, first responders and others) to get the support, help and care they deserve.

Since the event's inception, we have raised over \$38,000 that has been given directly to 22 Until Valhalla to help fund some of their programs such as float tank therapy sessions, outdoor expeditions, Jiu Jitsu, physiological healing, yoga, and college scholarships. Last year, we were able to expand and include The Chip Terry Fund for First Responders which provides educational, financial, and emotional support and counseling to police, fire and other emergency personnel and their families, particularly those affected by PTSD and other occupational related stress disorders.

Would you please consider donating any items that could be used for door prizes, raffles, and a silent auction to help us achieve our mission? Your donation will go directly toward helping veterans and first responders suffering from PTSD get the help and treatment they deserve.

While we have made great strides, Cruising to Combat PTSD still has a lot to accomplish. These events would not be possible without the support of local companies who provide valuable products and services so that we can support our attendees and participants.

Thank you for your consideration and support! With your help, we are one step closer to reaching our goal of \$50,000.

Sincerely,

George Rehtin
