

Benefits to Financing Equipment

No matter the size of your business, equipment financing can provide impactful benefits. Around 75% of all U.S. based companies are utilizing financing for their equipment purchases. Here are some of the benefits they see to financing:

SAVE CASH

keep cash & lines of credit open
Invest cash in other areas of business

LOW UPFRONT COSTS

Minimal upfront cost
Normally two payments in advance

CUSTOMIZED PAYMENTS

Terms that work for your cash flow
Avoid inflation with fixed payments

100% FINANCING

Finance total cost of equipment
Plus soft costs including:
installation, shipping, software, etc.

STAY UP-TO Date

Invest higher-end equipment
Update when new models released
Avoid obsolescence

TAX BENEFITS

Reduce taxable income
Write-off monthly payments
Build business credit
