Life Testimony of Sr. Pastor Ashok Karkera.

Pastor Ashok Karkera is the founder of the Glorious Gospel Mission Ministries. Married to Dr.Regina with two God fearing children Ms. Angel Evangeline (Studying Medicine, Ukraine) and Plenty Joses(Studying Theology, Pittsburgh, PA).

Born on March 20, 1966 in a very strong religious Hindu temple priest family, in Mangalore, South India. He had a very tough life being on his own at very young age. He sought God with all his heart to know if there was really a God and if He was why there was pain and suffering in his life. In his search for truth he visited several temples, mosques and catholic churches.

Unable to find any answers, on December 20, 1988, Pastor Ashok Karkera decided to harden himself against all gods and gave up all hope to live. As a daily ritual one day when he was cleaning his Hindu god idol made of mud, which slipped out of his hand and fell on floor and was broken to pieces. Suddenly the reality of 'can god breaking into pieces hit him very deeply result of which he began to live life without hope and faith, and became fully discouraged.

Then he was stopped by one brother who introduced him to Lord Jesus Christ. When he was gifted with the Holy Bible in return Pastor Ashok Karkera gave a Bhagwat Gita (Hindu religious book) to him and said if he reads Bhagwat Gita, he will read the Holy Bible.

Later, he was invited to a very unusual Christmas party, the party did not have any wine, no decorations, no loud

music as he had seen before rather there were people worshipping and praying to an unseen God.

The preacher gave altar call saying, “if you are looking for religion don’t be bothered but if you need The One True God come forward.” In order to find out who is this True God, Pastor Ashok responded to the preacher’s call and he experienced a sudden wave of Divine Peace and hope that flooded his heart. For the first time in his life he felt that he did meet with the One True God his Creator.

After this incident, things started happening in him supernaturally. There arose an unquenchable thirst in him to spend hours together pouring over the life-transforming pages of eternal Truth – The Bible, discovering secrets that could revolutionize human life. He spent hours talking to God and sought Him with all his heart.

The High Calling

Immediately after receiving Lord Jesus Christ he began to preach the gospel for he experienced a great thirst in his soul to save others from hell!

Where his ministry started from preaching on streets and trains, On September 20, 1994, Lord Jesus called him to arrange an open-air healing and gospel prayer at Vasai. This was the first time ever when an open-air meeting was going to be arranged here. There was no support from the locals as they feared the groups protesting and threatening Christians. The handbills were distributed and dates declared.

There was absolutely no money available for arrangements until the night prior to prayer. Pastor Ashok and Sister Regina prayed to the Lord persistently that night for His power to work.

2nd October 1994! ([Youtube-Divine Healing Prayer 1994](#))

After being alone and without support, that midday one

man came forward and said that he would like to provide for the physical arrangements for three days prayer, other person came and paid for the sound system and another took his rickshaw and announced about the meeting all over the Vasai(all over County) and surrounding areas, a brother painted a huge banner with title, 'The blind sees, the lame walks and deaf hears'.

The prayer venue was surprisingly fully packed without room for more, being repeated threatening and radical oppositions by the Hindu fanatics.

For three full days people experienced supernatural mighty power of healing and deliverance from Lord Jesus Christ. People were healed from birth diseases and all type of terrible sicknesses. All over the venue people were weeping and giving their lives to Christ.

And, Lord gave His commission to Pastor Ashok that He has made his life a continual blessing to countless through Divine Healing Prayers and He will be used all over the world.

And from that day onwards it has never stopped! Lord Jesus has been using Pastor Ashok and Sister Regina Kin different states of India as well in countries like Malaysia, Singapore, Japan, United Kingdom and United States of America to be a blessing for many countless who are seeking for The One True God!
