

"Preparing for The PROMISE-Party!"

Sunday, June 5, 2033 ~ "Just Let IT Happen... AGAIN!"

A Global Collaborative Initiative Sponsored By:

Pentecost-2033 | The Five-Fold Dimensional 2nd Millennial Celebration Consortium

Event: The 2000th Birthday of the New Testament Church of Jesus Christ

Date: Pentecost Sunday, June 5, 2033 (*Should the Lord Jesus Delay His Coming*)

Purpose: To Conscientiously and Connectively Celebrate These Monumental Millennial Milestones
(*This is not a small, quick Sunday afternoon program*).

Ten Years of Preparation and at least 12 Months of Celebration!

Concept: A "Ten-year [1] Momentum-Mobilizing, [2] Energy-Refocusing and Utilizing, [3] Endtime-Empowered Strategizing, [4] Emotionally-stabilizing, [5] Educationally-capitalizing [6] Evangelistically-synergizing, and [7] Entrepreneurially-monetizing Movement that promotes a holistic Biblically based perspective on the ever-encompassing original intent of the events associated with the Day of Pentecost 33 A.D., and its imminent twenty-first-century history-shifting occurrence.

Conceptual and Contextual Realities: This Spiritually-oriented Initiative is an anchoring investment in our individual and organizational futures. *Although we are the originators and initial drivers, time and tenure tell us that; realistically, we will not be in the "key drivers' seats" when these projected events mature and materialize.* However, our present engagement in these preparation processes will generate evolving life-changing occurrences for all concerned. As the "Bi-Millennial Movement" expands, this group will include individuals, families, communities, various organizations, and global Christian populations.

The Initial Divine Mandate (Pentecost Sunday, May 28, 2023) contained the following components and directives: Ask God for a **Tithe of the SOULS in YOUR CITY** or Metro Area! (*God has done this for Nigeria!*).

1. Prophetic and Numerical Significance: 2033 | Ten years from now-

- a)** 10 – indicates God's authority, completeness, order, and divine perfection.
- b)** 3 – Divine Manifestation and Completeness though a lesser degree than 7.
- c)** 11 – can symbolize disorder, chaos, and judgment; therefore, Symbolic of (Mathias, Judas' replacement was Missing) Missing: Mentors, Members

(Disciples), Miracles, Money, Missions, Motivation, and Momentum. (*Thank you to Bishop Larry O. Jones, St. Louis, MO*).

- d) $3 \times 11 = 33$
- e) 33 is connected to certain promises made by God (*i.e., with Noah and Abraham*).
- f) Jesus was 33 when he accomplished his Bodily Earthly Ministry.
- g) This is also the 2000th Anniversary of the Crucifixion, Resurrection, and Ascension!
- h) These events will be Celebrated and Monetized Worldwide by somebody; Why not the "Holy Ghost Filled BODY of Jesus Christ, King of the Universe and Savior of the Church!"?

2. **Pastors and Leaders:** Choose 3 to 7 individuals to Mentor concerning this venture and Your Vision for the Voyage.
3. **Pastors and Leaders:** Ask God for a "tithe (10%)" of the souls in your city or metro area (*70% to 80% are not committed to any Christian organization*).
4. **Pastors and Leaders:** Include Productivity, Prosperity, Posterity, Personal edification (*external and internal*), and Problem-solving in Your Strategic Programming Protocols.
5. **Pastors and Leaders:** Identify your Ministry's or Auxiliary's essence and related activities in the first, second, and third (1st-3) chapters of the Book of Acts and embrace the approved practice or intended instructions. Already, we have isolated several of the PAW Auxiliaries in the "Story of Pentecost!" For example, in Food and Beverage, there is a "Happy Meal!"
6. **Pastors and Leaders:** Initially, Connect with 3 to 12 Non-Pentecostal or Day of Pentecost Celebrating Ministries in your Area and invite them on the Voyage.
7. **Pastors and Leaders:** Make Native American and International Connections for Celebrating Pentecost 2033 in your own "Backyard!"
