About this qualification.....

What is in the qualification?

The course includes units that relate to:

- ⇒ knowledge and skill in key aspects of the racing industry:

ACMEQU205 Apply knowledge of horse behavior
 BSBWHS211 Contribute to health and safety of self & others
 RGRPSH101 Catch & handle quiet horses under supervision
 RGRPSH102 Perform basic stable duties
 RGRCMN201 Investigate job opportunities in racing industry
 RGRPSH201 Handle racehorses in stables and at trackwork

- ⇒ performance of all tasks and duties associated with entry into the racing industry
- ⇒ knowledge of industry roles and industry regulation requirements

There are 6 units in the qualification. If you have experience or qualifications in the industry you may receive Recognition for some or all of the units.

How do I pass the qualification?

For each unit you need to complete:

- ⇒ An assignment
- ⇒ A practical skills assessment

Where do I do the training?

- ⇒ The knowledge training and assessment can take place anywhere with internet access. If you do not have internet access you are welcome to use our training centre during normal business hours on days of your choice. We are available to support you via email and/or telephone anytime during normal business hours.
- ⇒ We conduct face to face meetings to undertake the skills assessments and assist with the assignments. This can be at your stable, the RTO campus or a combination depending on your needs.

Fees

This will depend if you are eligible for financial assistance under the State Training Guarantee and/or a concession rate. See the following table for details.

Eligible	Concession	Cost \$
Yes	Yes	\$ 198.40
Yes	No	\$ 352.00
