Parish statement on domestic abuse

We will endeavour to respond to domestic abuse by:

In all our activities –

- valuing, listening to and respecting both survivors and alleged or known perpetrators of domestic abuse.

In our publicity –

- raising awareness about other agencies, support services, resources and expertise, through providing information in public and women-only areas of relevance to survivors, children and alleged or known perpetrators of domestic abuse.

When concerns are raised –

- ensuring that those who have experienced abuse can find safety and informed help; working with the appropriate statutory bodies during an investigation into domestic abuse, including when allegations are made against a member of the church community.

In our care –

- ensuring that informed and appropriate pastoral care is offered to any child, young person or adult who has suffered abuse;
- identifying and outlining the appropriate relationship of those with pastoral care responsibilities with both survivors and alleged or known perpetrators of domestic abuse.
