WHAT AN AWESOME PARADE!

Thanks to our neighbors Jeff and Alyssa Martinez, and President Amy and Jim Pacheco for hosting the **July 4th Bike Parade!** The decorated bikes, scooters, golf carts & participants, along with PRORA provided Otter Pops and holiday prizes, made this annual event spectacular.

Thanks to all our neighbors who joined the fun!

NEWLY DISCOVERED CITY BENEFIT!

Did you know that you can ask the City to spray your property to reduce those pesky mosquitos we seem to have more of this summer? Thanks to Board Member Holly Flandermeyer for sharing this link <https://www.cabq.gov/environmentalhealth/urban-biology/mosquitoes>. You can also dial **311** to schedule a treatment.

LET'S ALL KEEP PRORA NEIGHBORLY

Gentle reminder that with the recent rains, weeds are popping up like, well, weeds. Please take a moment to keep our neighborhood looking tidy by tending to yours. THANK YOU!

PRORA recently learned of the untimely demise of the Poop Fairy. Please maintain the cleanliness of our walking paths for everyone by cleaning up after your beloved dog every time. THANK YOU!

You're invited!
