DV 1219-12-0029 - SAID IN SPUN SILVER. Winning 2<sup>nd</sup> Place South Africa Million Dollar race. There were two birds that arrived together UNTAMED DESERT (NL 1231153-12) and SAID IN SPUN SILVER. UNTAMED DESERT walked in for first place. These two winning pigeons won over \$345,000 USD. They raced against 2,793 birds from 593 km with temperatures over 96 degrees and 100% humidity.

In the No. 1 pigeon race in the world, SAID IN SPUN SILVER also won:  
23<sup>rd</sup> Place 380 km 2,960 birds Care Race #5  
1<sup>st</sup> Place Knock Out Winner  
4<sup>th</sup> Grand Average Winner

SAID IN SPUN SILVER is truly a pigeon of a higher class with soft feathers, strong perfect body, medium in size, rich eyes and race results that mean everything. Arrived with the winner and ahead of 2,793 of the best bred birds from top lofts from 40 different countries. What more can be said! One of the best racers in the history of the Million Dollar races now breeding here at Ganus Family Loft.

DV 7164-13-270 - HALOVER. The 1<sup>st</sup> Place South Africa Million Dollar Final Race Winner. Flying 413 miles, 90 plus degrees, high humidity, head winds and 3478 birds competing. Only 53 birds returned on the day of release with the best young bird racers from the best fanciers of the world competing. HALOVER is a true champion.

When you first handle HALOVER your first thought is how soft her feathers are. Then you feel the super muscle, abundance of muscle, strong body with tight vents and eyes that dilate to a pin dot with the fight of a champion when you hold her in your hands.

HALOVER will be my next super breeder here at Ganus Family Loft that allow America the winning blood that it takes to win in the South Africa Million Dollar Final Race. She is a real super!
