NL 1656210-02 - AVIATOR *
* 1st Olympic Champion Bird of the Entire World *
Long Distance
* 1st Olympic Champion of All Holland Long Distance.
AVIATOR had the most points also to be the 1st Middle Distance Olympic Ace of All Holland but a champion bird can only win one Olympic award per Olympiad. So they chose to put AVIATOR in the long distance class where he became the 1st Olympic Champion of the Entire World. There were over 500,000 fanciers competing. Bird fanciers were watching him come home week after week, under every kind of weather possible.

Belg 3181936-09 - WOLVERINE Is this a super bird? Yes. Has he bred winners? Yes. Is he a top one day long distance flier? Yes. A half brother to WOLVERINE won 1st Sun City Million Dollar Final Race. Does that tell you how good the WOLVERINE is. I hope so.
The WOLVERINE is bred by my good friend Filip Norman from Belgium, one of the top long distance lofts for over 50 years. This ZORRO family has really been special for many top fanciers around the world, like Gaby Vandenabeele, R & X Verstraete, Chris Hebberecht. Most of the top long distance fanciers of Belgium have the ZORRO bloodline in their loft.
When visiting Belgium in 2011, I visited Filip Norman and bought two super hens off ABRAHAM, brought them back to America and directly bred winners off them both! So, I went back in 2012 and Filip gave me the pick off his best and I bought wolverine. He is now one of my top breeders for one loft competition around the world. A family that will race to win as a youngster up to 12 hours and cross easily with middle and long distance families. Just top quality.
