The authorized requester of the renting party is responsible for any damage incurred while under his/her use. Damage must be reported to the FLCC Usage Coordinator. The FLOA Board of Directors will see that the damage is repaired and the responsible person(s) or Insurance agency assessed.

Requesters reserving and using the FLCC are also responsible for set-up AND take down of any and all chairs, tables and other equipment that will be used. All trash is to be disposed of in the dumpster. This must be done PRIOR TO the final inspection and lock up of the facility.

Requester of record or an approved designee MUST be at the FLCC during the event.

#### **SECTION IV - INSURANCE REQUIREMENTS, LIABILITY AND INSURANCE**

Community Groups who are FLOA members are not required to provide additional Liability Insurance. Private Events are required to secure their own insurance and provide a Certificate of Liability Insurance (COI). Normally, a Homeowner's policy will not extend.

#### How to obtain Certificate of Liability Insurance

"Special Event" policies are available on-line that can be purchased. A policy is quoted and can be purchased on line very easily. A couple of websites that are very helpful are www.EventHelper.com or www.specialeventinsurance.com.

FLOA shall be identified as secondary insured organization on the COI form submitted by requester/ This insurance is required to protect the Association and establishes that the host of the event is the first recourse if a claim occurs.
