## Stained-Glass Chalk Art – Art

Use these instructions to help make beautiful stained-glass chalk art outside your church building.

Use masking tape to make a "church." Put strips of tape zig-zagging inside the shape of your church to make beautiful stained-glass windows.

Fill in the spaces in your church with different colors of sidewalk chalk.

When you are finished, pull up the tape to reveal your masterpiece!

Copy this page onto white or colored cardstock. Then, cut the cards apart and laminate them if you wish. Hide the cards in a tub filled with beans or sand. Or, hide the cards around your classroom.

The Lord's power was with

them, and a large number

came to believe and turned

to the Lord.  
Acts 11:21, CEB

# First Called Christians

Acts 11:19-30

There was trouble for the people who believed in Jesus.

**Even though some people didn't like the believers in Jesus, their number grew.**

A lot of the believers in Jesus lived in Jerusalem.

**They sent a man named Barnabas to go to Antioch. They wanted to help the people living there.**

When Barnabas got to Antioch, he was pleased.

**Many people who lived in Antioch were also believers in Jesus.**

Barnabas wanted some help.

**He asked a man named Paul to come and help him to do good work in Antioch.**

Paul came to help.

**The believers in Antioch became known as "Christians." Believers today are still called Christians around the world.**
