Church Is One Body

1 Corinthians 12:12-31

Paul became one of the most important leaders in the church.

Paul traveled from place to place teaching people about God and helping to start new churches.

The people who learned from Paul had many questions.

"How can my gifts and talents be used to help others?" they wondered.

Paul wrote letters to people, answering their questions.

"All of your gifts and talents are important to God," he wrote.

"It's like our own bodies. Hands have important jobs to do."

"So do feet! What about your eyes? Or your ears?"

"In the same way, the church is made up of parts. Each part has a special job to do."

adapted from 1 Corinthians 12, CEB

Go outside to a driveway or sidewalk and make chalk outlines of each family member. Add details to your artwork like eyes, noses, mouths, and clothes.

Read 1 Corinthians 12:12-31. We have bodies with many parts. Each part has a job to do. How is our family like that? What jobs do each of you do that make a difference in your family?
