

Board of Park Trustees
Meeting Minutes
SEPTEMBER 18, 2019

The meeting was brought to order to by Chairman Everett. Roll call: Everett present, Zeigler present, Camden absent, & Brooks present.

Minutes from previous meeting were approved as read.

Mayor asked about the concrete barrier around the swings and that is another possible scout project. Park Board discussed cost of concrete to look at other projects, mulch, swing border, etc. Zeigler mentioned that the concrete work for the handicap swing and merry go round will be getting done soon.

Mayor reported that was looking at brine solution for the walking trail. Everything is tapped and ready to go however had another 1,000 hrs. before it resets. Mayor called around and looked up a herbicidal soup (Scythe Herbicide) to hopefully be able to use.

Park Board discussed definitely look into the park beside the Village hall. Fiscal Officer reported to Park Board for Camden that the Park District Grant for 2019-2020 has been submitted for new diggers, ride on toys, and a net climber. Camden also relayed in email that would like to stay on park board after no longer on council and to help continue to get grants for the park.

No further business, Zeigler moved and Brooks second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
