

Village of Wayne
Regular Council Meeting
SEPTEMBER 20TH, 2023

The meeting was brought to order by Mayor Craig Everett and the pledge of allegiance was said. Roll call was read: Gross present, Lee present, Vandersall present, Wildman present, Boyer present, and Young present. Lee moved and Young second to approve the minutes as read. All yeah, M/C. Boyer moved and Lee second to turn all bills over to finance and to pay all those found favorable. All yeah, M/C.

Mike Dunipace asked council if it's was foreseeable for Helena Chemical to tie into the Village sewer line? Fiscal Officer spoke with solicitor and would have to draw up an agreement and grant right of way easements, Helena would be responsible for all the cost, tap in fees, sewer rate (1.5 times the normal rate), etc. Council and Mr. Dunipace also spoke about sewer based on water usage and might possibly want to run new water/sewer for the office. Fiscal Officer will check with solicitor to make sure no agreement of sewer line with Marathon.

Fiscal Officer reported no update yet on LED lighting install. Storm Sewer project is complete just need to fill in some areas that are leveling (which is expected) and pay any final invoices, if any. No update on Sanitary Lift Station from Choice One. Lee moved and Young second to approve Resolution 9-23-735: To participate in the Wood County Park District Grant. All yeah, M/C. Watson St. has been paved however, does need to come back and seal coat it.

Council agreed October 28th from 6pm to 8pm will be Trick-Or-Treat for Wayne.

No further business, Young moved and Wildman second to adjourn. All yeah, M/C.

Respectfully submitted,

Melissa Repasz
Fiscal Officer

Council President
