### Terms and Conditions

It is your responsibility to insure the box and its contents. Damage to the Bike Box and any missing components or parts may result in the loss of your deposit.

If the Bike Box or its contents are damaged in transit, it must be reported to the appropriate authorities within the airport baggage collection hall or the train station (as applicable), so that a claim can be made. If you leave the baggage hall or station without making a claim, this could result in losing your hire deposit.

Please use the carry holes to attach flight labels to avoid a £10 surcharge for removing labels (courier or flight labels).

The anti-crush pole, thru axle skewers, foam padding and accessories must be returned. You will be charged £20 for any items missing upon return.

Please do not deface or mark the Bike Box with any permanent markers or stickers.

Use a TSA (Transportation Security Authority) approved lock. These are recognised internationally by most security services and permit authorities to inspect your luggage and contents without cutting open or damaging the Bike Box to gain access.

It is your responsibility to secure the Bike Box during the hire period. If the Bike Box is stolen, you will be charged for the replacement of the box.

Any failed collections will be chargeable at £20.

### Cancellation

Cancellation can be made up to two weeks prior to hire without charge.

Time to booking:

1 week or less prior to collection - full charge

2 weeks or less prior to collection - £30.00

Cancellation charges will be deducted from the deposit taken at the time of making a booking.

### Collection Information

You can collect your Bike Box anytime from 0830 hrs -1700 hrs Monday to Friday.
