**WHAT DOES IT DO?**

NikolaTesla redefines simple daily tasks by combining two kitchen elements that are generally separate - a hob and a hood -, thus creating the perfect marriage between technology, functionality and aesthetics.

Never worry about kitchen fumes and odours again! NikolaTesla's aspirating core technology is completely hidden within the hob, which allows for a linear design that is both highly performing and energy efficient. NikolaTesla allows you to work freely on the hob's surface, making it ideal for even the most elaborate food preparation.

solutions for sinks

Our food waste disposers and steaming hot water taps are designed for modern living and busy lifestyles. Whether you are a small or large family, love entertaining or live on your own, these appliances will suit any style of kitchen.

The Government plans for separate food waste collections for every UK household ultimately mean that smelly food waste will be collecting in a caddy in your kitchen. You can avoid this by installing a waste disposal unit, eliminating food waste instantly.

The Smarter Choice™

*For all your customers' everyday needs*

With our parts & labour guarantee — which can be extended to 2 years (labour) & 5 years (for parts) FREE if you register your product - you can have the peace of mind that a Prima appliance will give you easy and reliable everyday use for years to come.

**FREE  
5 YEAR  
GUARANTEE**  
(5 YR PARTS/2 YR LABOUR)

## PRACTICAL

Prima appliances are designed for your everyday needs, and to be easy every time you use them.

Whether it is an oven, a microwave, or a washer dryer, most of us will use a small number of programmes most of the time and so our appliances make it really easy to use these programmes and to get great results every time.

For those who want to be a little more adventurous our new feature rich Prima + ovens have additional programmes and settings to let you experiment.

## RANGE

The Prima range has everything you need to complete your kitchen, from self cleaning ovens to the kitchen sink

Whether you prefer a gas hob or the newer induction hob (which can boil a pan of water in under a minute) or if you prefer double ovens to single ovens, with dials or a digital touchscreen; or even if you prefer a 70/30 split fridge freezer to a 50/50 split; our Prima range has a great product to match your preferences.

# prima<sup>+</sup>

The Smarter Choice™

*For all your customers' everyday needs*

## *High spec products at a much lower price*

Our Prima + products have added functions and style features that make them comparable with more expensive brands but at a much lower price adding to the value of buying Prima.

And because a Prima appliance is always backed by an up to **5 YEAR PARTS & 2 YEAR LABOUR GUARANTEE** you can continue to benefit from the value of buying a Prima product with complete peace of mind for years to come.

# SPACE IS NOT CREATED, IT'S FREED.

NIKOLATESLA FIT, YOUR ENTIRE KITCHEN IN JUST 60 CM.

SMALL  
SIZE

COMFORT  
SILENCE

AUTO  
CAPTURE

**Take back your space with NikolaTesla Fit by Elica**, the compact extractor hob designed also for small environments. It captures steam and odors more efficiently and faster as they rise to the top, yet remaining incredibly silent. The Autocapture function automatically sets the air extraction power most suited to your recipe. In addition, NikolaTesla Fit's advanced ceramic filters improve the quality of the air you breathe every day.

# BRIGHT RANGE.

ZANUSSI

1 YEAR  
GUARANTEE

## Welcome to Zanussi Bright

Packed with tried and tested tech, the new appliance range from Zanussi is the perfect example of quality innovation combined with seamless design.

Zanussi self cleaning ovens burn away dirt and grease, leaving just a fine ash that can simply be wiped away.

This, together with our fantastic consumer reviews, makes it **even easier to choose Zanussi.**

# Why a food waste disposer is the responsible choice

Your food waste is ground into tiny particles by your InSinkErator® disposer

These are flushed through your plumbing to the wastewater treatment plant

Where they can yield valuable biogas

and fertiliser for agriculture

## Food waste is a growing problem

7 million tonnes of household food goes to waste each year. That's £13 billion of food purchased and thrown away. Part of that waste goes to landfill sites, where it emits harmful greenhouse gasses. This could yield renewable energy or natural fertiliser but just 10% is separately collected and less than 7% is home composted. 19 million tonnes of greenhouse gasses are produced every year, just from household food waste.

# abode *Pronteau Taps*

## THE PRONTEAU BY ABODE HOT WATER TAP COLLECTION IS VERSATILE, STYLISH AND UNIQUE.

Abode are UK specialists in tap design, meaning the hot water tap collection embodies style and functionality in one complete package.

Choose from **3 IN 1** and **4 IN 1** ranges, with options including the Prothia **3 IN 1** (pictured above), a unique slimline hot water tap supplied with the 2 litre **PROBOIL.2X** boiler and filter. Or ProTrad, the new **TRULY** traditional hot water tap available in **3 IN 1** and **4 IN 1** options.

Also introducing the new **HotKey®** collection, featuring patented technology for the safe dispensing of steaming hot water, and the new 4 litre **PROBOIL.4E** boiler (pictured right) with premium filter and a new array of finishes across the collection.

# Your Sales Brochure, price list & trade guide

Our service is registered to the requirements of the ISO 9001 Quality Assurance Mark.

All kitchens and appliances are supported by a manufacturers guarantee for total peace of mind.

## Returns Policy & Procedures

### Pricing Information

All pricing displayed is at Recommended Retail excluding VAT. Whilst pricing was correct at the time of going to press, we reserve the right to alter prices at short notice for reasons out of our control e.g. currency fluctuations or manufacturer price updates. No further special terms apply to trade prices on promotional items. For the most up to date and accurate pricing and stock information please visit [partners.pjh.uk](https://partners.pjh.uk) or contact us on [0800 8 77 88 99](tel:08008778899).

### Promotions

We run frequent promotions on selected appliances, sinks & taps. For information on the latest offers, visit [partners.pjh.uk](https://partners.pjh.uk).

### Product Information

The basic information in this brochure is intended as a guide only and more detailed information can be found on our Partners Portal ([partners.pjh.uk](https://partners.pjh.uk)). However, in either case, we would recommend you consult the manufacturers literature or contact the appropriate Technical Service Department for exact specifications. Whilst every effort has been made to ensure the details contained in this brochure and online are correct, the product offered and conditions of sale may differ from those described or illustrated.

### Deliveries

At the time of delivery, you must check all products for any sign of packaging or product damage and check the number of products delivered against the delivery note. You should report any damaged or missing products within seven days of delivery to our Customer Service Team on [0800 8 77 88 99](tel:08008778899). Please note that we will not be responsible for any damaged or missing products under delivery which are not reported within this time.

### Returns

A return can be requested for any faulty products that do not operate in line with manufacturers guidelines. A return can be requested for products that are surplus to requirements and must be returned within thirty days of delivery\*. Special order products that are surplus to requirements cannot be returned. The condition of the products must be confirmed at the point the return is requested.

A return can be raised by calling our Customer Service Team on [0800 8 77 88 99](tel:08008778899) or emailing [sales@pjh.uk](mailto:sales@pjh.uk) or via the Partners Portal: [partners.pjh.uk](https://partners.pjh.uk). An email will be sent (to the e-mail address you have provided) to confirm the return request has been raised.

\*Miele products that are surplus to requirements cannot be returned.

### Faulty Products

For faulty Prima and Teka appliance products you should contact the dedicated Aftercare Team on [0344 576 6841](tel:03445766841) who will arrange for an engineer visit to inspect the product(s). Following inspection, faulty products will be repaired or replaced.

For branded appliances, in all instances, the manufacturer will insist on repairing faulty products on site and must be given this opportunity. Contact details should be provided with your appliance(s), if you don't have these please call our Customer Service Team on [0800 8 77 88 99](tel:08008778899). Sinks and taps that are returned as faulty will be returned to the manufacturer for inspection and credit will only be issued, in part or full, as agreed by the manufacturer.

### Surplus to Requirements

Products must be returned within thirty days (of their original delivery) in their original packaging and in a re-saleable condition. PJH reserves the right to request photographs of the proposed returned products to confirm condition at the point of return. A standard re-stocking charge of £25 will apply, per order, and must be paid in line with our agreed payment terms. Any products that are surplus to requirements but reported outside of the thirty days from delivery are not eligible for return.

### Collections

PJH will attempt to collect products, where reasonably possible, within three days of the return being raised. We will attempt two collections of the return, if both attempts fail, the return will be cancelled. At point of collection the goods returned must be presented in line with the reason for return. PJH drivers are instructed not to accept any products for return that do not comply with the criteria for products that are faulty or surplus to requirement. Collection of products by us does not imply that full credit will be given. If products are received in a condition not stated on the paperwork, PJH reserve the right to refuse any credit. Credits for returned products may take up to three days following PJH or manufacturer inspection. Please note: Manufacturer agreement times may vary.
