ABOUT THE TRUST

Dr. Ambedkar Memorial Social Welfare and Educational Trust (DEMSWET) is a registered trust established in the year 2000. The trust is a purely Social, Educational & Charitable Institution aimed at providing scientific and value based education by maintaining pace with the ever increasing needs of modern educational environment across various spheres but not limited to Technical, Professional, General Education, Paramedical, Nursing & Alternative Medical Education.

ABOUT THE INSTITUTE

Dr. Ambedkar Institute of Pharmaceutical Science (DAIPS) is one of the leading institute of Odisha established in 2019 by DEMSWET. This institute is approved by the Pharmacy Council of India (PCI), New Delhi, affiliated by Biju Patnaik University of Technology (BPUT) and recognized by Govt. Of Odisha (DMET). DAIPS offers D.Pharm and B.Pharm courses. The institute regularly conducts co-curricular and extra-curricular activities to create an environment of enthusiasm and zeal among the students and staff members for educational excellence.

ABOUT THE SEMINAR

Dr. Ambedkar Institute of Pharmaceutical Science cordially invites you to participate in the National Seminar on **“Recent advancement in Pharmaceutical Research and Biomedicine”** The seminar will provide a common platform for academicians, medical professionals, pharmacists, Pharmaceutical Industry personnel to highlight recent discoveries and trends in diverse fields of Pharmaceutical Sciences and Biomedicine.

This aims to provide a platform to bring together young and experienced academicians, medical personnel, research scholars, industry experts and students to exchange ideas and experiences. It will comprehensively cover areas ranging from basic to applied research in biological sciences. Renowned academicians would share their expertise knowledge in various fields of Biological Research. This seminar will be a brilliant opportunity for the participants to showcase their knowledge in the form of oral and poster presentations.

IMPORTANT DATES

Last date of Registration - 03.02.2023
Last date of abstract submission
03.02.2023

OBJECTIVES

- To impart knowledge on promising advancement of Pharmaceutical Sciences and the vast field of Biomedicine.
- To exchange ideas, knowledge and meticulously explore areas of Biological Sciences.
- To update the participants on technological advancement of Pharmaceutical and Health care research to bridge the gap between the “bench to bedside” health care research.

CALL FOR ABSTRACTS

Abstract based on research, experiences or promising ideas related to the topic of the seminar from all areas of biological sciences are invited. Abstracts in 250 words with 5 key words in Times New Roman, 12 font to be submitted online at seminardaips@gmail.com
All selected abstract will be published in “Asian Journal of Pharmaceutical Education and Research”.
ISSN 2278-7496
