Wabash & Ohio Valley Special Education District Asbestos Inspection and Management Plan, Operations and Maintenance Program, required under the Asbestos Hazard Emergency Response Act, is available for public inspection.

The district plan can be reviewed weekdays from 9 am to 3 pm at the WOVSED Central Office.

Plans for each site in the district are available for viewing at each individual site in the main office and can be seen between 9 am and 3 pm weekdays.

Activities to be completed this year, according to the management plan, are:

1. Continue six months surveillance.
2. Continue operations and maintenance of all A.C.B. M.
3. Cleaning of areas that have become necessary.
4. Provide training to maintenance and custodial staff as required.
5. Submit the new Three Year Asbestos Inspection to I.D. P. H.

Copies of the plan can be obtained by written request to the address above at a charge of 25 cents per page. The photocopies are available within seven working days after the district receives written request.
