

## August 2023 Reiki Newsletter

Hello,

Hope that everyone is doing well. Been working on many new sessions and hope that the energy helps others.

The livestreams on the channel are a way for me to communicate with those who comment. It can help me find out how the energy is received and that can assist me with finding the right words to communicate what I perceive. I encourage everyone who views them to post or comment so that I can find ways to help more. Also some of the community are very in touch with the universal consciousness and comments can be validation for me as to the next video being posted.

Right now, am doing livestreams on Mondays on **Rest, Relaxation, Reiki** and on Fridays at **\*Transformational Vibrations\*** Since the time may change (depending on appointments), the best way to find out when they are happening is to subscribe to the channels, click on the notifications bell and then click on receive all notifications. Or you can check the Community Tab on both channels (usually post about livestreams around 9am).

Am looking forward to sharing more with all of you!

Wishing everyone a month filled hope, love, and peace.

Blessings,

---
