

February 2022 Reiki Newsletter

Hello,

Hope that all of you are doing well. Have been working on bringing new vibrations to all the sessions and even have a session for the **Effects of Covid 19**. This session works on the energy of the virus/variants as well as the effects (present and lingering). It will be on sale through the entire year.

There will be a livestream on Sunday, 2/13/22 on my **YouTube** channel at 1:00pm est. What is great about the livestreams is that they carry Reiki and are a fun way to receive the energy. Richard is joining me for more psychic games and we look forward to meeting with everyone who can make it!

I mentioned this before, but in case you may have missed it. There have been several people creating copycat imposter Instagram pages saying that they are me. They ask for followers and then money. Some offer services (not mine). I don't send dms, ask for followers or money. If you receive an invitation from a page that looks like it could be mine, go to the bottom of my website and click the links to social there. The correct accounts will be listed there.

February Reiki Sunday Special

This special is one the universe has been really persistent about me making. This was put on the site early so that people could begin receiving the energy as soon as they purchased it.

The theme this month is Love, specifically, bring more love into your life. As many of you know, love is the strongest healing energy and that is what is going to be channeled.

Luck Energy Session

Luck Energy Session

The **Luck Energy Session** may assist with bringing more luck into your life. Luck is a spirit and inviting in this energy may change how you manifest. This energy works in different ways from finding parking spots to finding what you need at the right time. The right people may show up in your life or you may find unexpected money (coupons, lottery winnings, raises, etc...). It will work differently for everyone and the key is to be grateful for what you get in whatever form it may take.
