

January 2022 Reiki Newsletter

Hello,

Hope that all of you are doing well.

The beginning of this year has been interesting and not boring. Many of us are trying to find our way in a Covid filled world and all the challenges that come with it. My goal is to channel more energy that can help each of us move forward in a peaceful, love filled and abundant manner. This year, will continue with more compilations as well as single videos that will grow with us during this shift.

My [Rest, Relaxation, and Reiki](#) website is up again :) This was my original site, which I had kept, but took it offline when Reiki from Lourdes was created. Brought it back to make it easier for everyone who sees my old video with the Rest, Relaxation, and Reiki website address.

One thing that may affect all of my followers on Instagram is the amount of accounts impersonating me. These people use various forms of my business names to seek new followers and then they ask for money. This is happening more often on Instagram and wanted to let you know, that I don't send out friend requests and I don't ask for money. My [Instagram account](#) has several thousand posts and if you receive a friend request from anyone you follow, check out their

posts to see if they are familiar to you. Check out their style to see if it is consistent. Don't want to see any of you "scammed". If someone says it is me and you are not sure it is me, go to my websites (ReikifromLourdes or RestRelaxationandReiki) and contact me.

There will be a livestream this weekend (Sunday, 1/16/22) on my [YouTube](#) channel at 1:00pm est. What is great about the livestreams is that they carry Reiki and are a fun way to receive the energy. Richard is joining me for more psychic games and we look forward to meeting with everyone who can make it!
