SAINT STANISLAUS KOSTKA PARISH

the SANCTUARY of THE DIVINE MERCY

July 30, 2014

Atlas Business & Property Services
Mr. Paul Dejoie
350 N. LaSalle St.
Chicago, IL 60654

Dear Mr. Dejoie,

This letter is long overdue, but I've been meaning for some time to extend to you a few words of thanks for the services you and your business, Atlas, have provided us here at St. Stanislaus Kostka, Sanctuary of the Divine Mercy.

First of all your security personnel enable us to effectively fulfill our mission of keeping the doors of the Sanctuary open 24/7. The purpose for keeping the doors to the church open is to allow others a refuge from the noise of the world for an encounter with God and an experience of the sacred space which has the capacity to elevate the soul. People come here for prayer and for quiet. Often people find themselves in difficult situations, perhaps suffering some assault to the mind, the body, the soul, or the spirit. They find here a unique experience of feeling protected. The Sanctuary becomes a place for healing.

We simply would not be able to fulfill this mission without the protection your personnel provide, especially during the dark hours of the night and well into the early hours of the morning. Your security personnel indeed perform a service – a ministry so to speak – enabling people to enter into Sanctuary with peace of mind knowing that their lives are under the watchful care of your staff.

The security guards are very present and well seen, yet inconspicuous. They do not disturb the peace that defines the Sanctuary. They are accessible and this is a source of comfort when guests feel the need for safe passage to their automobiles. Certainly I am at peace knowing the Sanctuary and the people who come to the Sanctuary are being properly cared for.

Thank you Mr. Dejoie for keeping us safe and secure these past six or seven years. Also, thank you for the services you provide at a rate that is affordable to our financially struggling parish. As God has protected us through you and your staff, I trust and pray, he will prove himself not outdone in generosity on your behalf.

Sincerely,

Fr. Anthony Bus C.R., pastor

Re: Atlas Service

Mr. Dejoie:

I wanted to take a brief moment to thank you for the years of service that you have provided for the Stratford at South Commons Condominium Association.

We started your doorman/security contract with a bit of trepidation due to the fact that we were transitioning away from a full union staff with full time employees covering 24/7. Bringing in many shifts with your company ended up being a very good decision. We were able to scale down our full time employees and have saved tens of thousands of dollars over the years that you have been providing quality service.

Due to the success of the security contract, we branched out into using your janitorial services as well to support our full time staff with good results.

One aspect of your service that has benefited us the most is your ability to get additional personnel here to cover special projects, sick and vacation days, etc. Being confident in the ability to call you, sometimes at the last minute, and know that you will get someone here expeditiously brings a measure of comfort knowing that we always have a back-up ready.

Dealing directly with ownership is always an advantage. While there have been bumps in the road, as there is with any business relationship, you have always addressed any issues with expediency and professionalism.

Lastly, your hourly charges are reasonable as are your contract terms.

Thank you once again and I look forward to continuing our mutually beneficial business relationship.

Sincerely,

RE: Anthony Robinson

Dear Murray,

We would like to acknowledge the dedication and attention of our doorman, Anthony Robinson, also. He knows most tenants by name and always maintains a courteous and professional relationship with everyone, including delivery and building maintenance personnel, and visitors to our office.

He attends to the building from midday to the end of the work day and, knowing that his watchful eye is on call during that time period which wraps up the workday, gives all of us a greater sense of security, particularly for me as I work late and trust that the building is secure. He presents a very positive image for the building and is certainly a great ambassador for the management arm of Spectrum Real Estate.

It has been a great pleasure to have him on board for, if I recall correctly, over two years now. We so appreciate the service he provides.

Thanks so much.

Sincerely,

Kathryn Quinn

RE: William Smith

Dear Murray,

We would like to acknowledge the dedication and attention of our morning doorman, William Smith. He spends every morning at the front door opening the door and greeting all the tenants and visitors to the building with politeness and a smile. If not within footsteps of the door, he rushes to open it. With his polite and positive attitude, he is certainly a great ambassador for the management arm of Spectrum Real Estate.

It has been a great pleasure to have him on board and a great addition to the building staff, for sure. We very much appreciate the service he provides.

Thanks so much.

Sincerely,

Subject: Gilbert Lee

Dear Sir,

I am writing to express our sincerest gratitude for the doorman, Gilbert Lee, at 750 N. Orleans. Our company, Advantage Management, was a tenant at 750 N. Orleans for the past 6 years. We have had several doormen in the building, but none that stand up to the caliber of Gilbert Lee. We have since moved to another Spectrum building, but before, during and even after our move Gilbert was a great help to our company. He assisted with our mail and deliveries, during and after the move. Gilbert is very professional and stepped in whenever needed. He showed extreme professionalism at all times. We just wanted you to know, how much Gilbert Lee is an asset to the building.

Respectfully,

Re: Work performance by Mr. Gilbert Lee at 750 N. Orleans

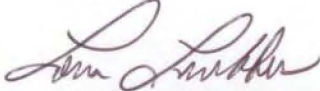

Dear Sir:

It is with pleasure that I write this letter of recommendation for your employee, Gilbert Lee, at the 750 N. Orleans property in Chicago. Gilbert's work performance is outstanding. He meets and exceeds our expectations on a daily basis. When he is at the front desk of this building, I can rest assured that our clients and visitors will be treated to excellent service, and that our employees will be greeted with a smile and enthusiasm.

I have worked in this building for over a decade. By far, Gilbert is the best front desk employee this building has seen in that time. He is consistently on time. He makes an excellent first impression to all who enter the building. He is helpful, knowledgeable and quick to go the extra mile for us. He knows everyone by name, he keeps a sharp eye out for safety concerns, and he coordinates our needs with the landlord's staff, making everything run smoothly. I have never seen him take a vacation or stop pushing for 110%.

Gilbert's attitude, effort and achievement merit appropriate reward. He is an asset to your company and to this building.

Sincerely,
