

## 2024 Summer High School Program Information

High School Parent & Athletes,

We are excited to announce that we have finalized the schedule for our High School Program / Postgraduate Program. Our goal is to provide your athletes with the best possible exposure to college coaches and the necessary training to enhance their skills as ball players.

At WFBA, we have established strong relationships with local universities and all five schools in the NJCAA D1 Panhandle conference. Our 15–18-year-old athletes will have the opportunity to participate in showcase events, where they can showcase their talents in front of college coaches. Additionally, they will have access to exclusive pro-style workouts conducted by WFBA.

As your athlete transitions into our high school program, we believe it is important for them to have exposure to college showcases. Therefore, we will be taking our teams to these colleges and participating in tournaments where many college coaches will be in attendance.

We are pleased to offer the following teams:

- Undergraduate (2026 / 2027)
- Upper-class (2024 / 2025)
- Postgraduate- 19+ (College Summer League)

If you have any questions, please do not hesitate to reach out to us. We are here to assist you.

Thank you and we look forward to working with your athlete!
