

GARDEN PRODUCE

Superintendent: Cheryl Simmons

Enter garden produce Tuesday, August 13 from 4:00 - 8:00 pm.

Adult and youth entries will be judged separately. Judging will be Wednesday morning at 8:00 am.

All produce shown in this department must have been grown by the exhibitor in 2024, except Indian Corn and Pop Corn, which may have been grown in 2023.

PREMIUMS – see general rules and regulations.

INSTRUCTIONS FOR PREPARING PRODUCE EXHIBITS:

DO NOT WASH OR POLISH ANY PRODUCE OR FRUIT!

We know it is difficult to get stems, but please try to.

PLEASE BE SURE TO HAVE THE REQUIRED NUMBER OF ITEMS TO EXHIBIT FOR EACH ENTRY

Apples – leave stems on. No worm holes.

Cabbage – cut as close as possible on the bottom. Peel off outer to get down to the head.

Carrots – leave 1” top and leave roots on. Remove all dirt with a soft brush. DO NOT WASH.

Corn – leave ½” stem at the butt, except for Indian and Pop Corn, which must be husked.

Cucumber – must have at least ½” stem.

Onions – leave 1” top and leave roots on. Remove only the peeling necessary to get the onion clean.

Parsnips – leave 1” top and leave roots on. Remove all dirt with a soft brush. DO NOT WASH.

Peppers – must have ½” stem.

Plums – must have stem on. DO NOT POLISH.

Prunes – must have stems on. DO NOT POLISH.

Potatoes – allow potatoes to dry and skin to set. Brush off dirt with a soft brush. DO NOT WASH.

Pumpkins – leave stem on.

Squash – leave stem on.

Strawberries – must have stems on.

Swiss Chard – cut stalks from base of plant.

Table beets – leave 1” tops and leave tails on. Brush off dirt with soft brush. DO NOT WASH.

Tomatoes – leave ½’ to 1” stem. Judged according to time of year and maturity.

- a. Crab
- b. Delicious
- c. Grimes Golden
- d. Jonathan
- e. Rome
- f. Winesap
- g. Yellow Delicious
- h. Granny Smith

2. Apricots – exhibit 2

- a. Any Variety

3. Berries – exhibit 1 cup

- a. Blackberries
- b. Boysenberries
- c. Dewberries
- d. Raspberries
- e. Strawberries

4. Grapes – exhibit 1 bunch

- a. Concord
- b. Green

5. Melons – exhibit 1

- a. Cantaloupes
- b. Honey Dew
- c. Watermelon
- d. Muskmelon
- e. Miscellaneous

6. Peaches – exhibit 2

- a. Crawford
- b. Elberta
- c. Hale
- d. Nectarine
- e. Red Haven

7. Pears – exhibit 2

- a. Bartlett
- b. Flemish Beauty

8. Plums – exhibit 3

- a. Any Variety

DIVISION II – VEGETABLES

9. Artichoke – exhibit 1

10. Beans – exhibit 3 pods

- a. Green Beans
- b. String Beans—colored
- c. String Beans – green

11. Broccoli – exhibit 1 head

12. Cabbage – exhibit 1 head

- a. Early
- b. Late
- c. Miscellaneous

13. Carrots – exhibit 3

- a. Big
- b. Long
- c. Short
- d. Colored

14. Cauliflower—exhibit 1 head

15. Cucumbers – exhibit 2

- a. Burbles
- b. Lemon
- c. Pickling (up to 5")
- d. Slicing (3" to 5")
- e. Miscellaneous

16. Brussel Sprouts—exhibit 3

17. Egg Plant – exhibit 1

18. Garlic – exhibit 2 cloves

19. Gourd – exhibit 2

20. Herbs – exhibit 2 stems

- a. Basil
- b. Dill
- c. Parsley
- d. Thyme

21. Kale – exhibit 2 stems

22. Leeks – exhibit 2

23. Lettuce – exhibit 1 head

- a. Head
- b. Leaf

24. Onions – exhibit 1

- a. Green
- b. Red
- c. Sweet Spanish
- d. Walla Walla
- e. White
- f. Yellow Globe
- g. Miscellaneous

25. Parsnips – exhibit 2

26. Bell Peppers – exhibit 1

- a. Colored
- b. Green
- c. Mini

27. Hot Peppers—exhibit 3

- a. Anaheim
- b. Jalapeno
- c. Cayenne
- d. Poblano
- e. Serrano

28. Peppers – exhibit 2

- a. Sweet
- b. Banana

29. Potatoes – exhibit 3

- a. Early Red
- b. Early White
- c. Reds
- d. Common Russet
- e. Yukon Gold
