Pray for America that...

We would do our best in representing
the Kingdom of Heaven to a lost world.

The Bible is full of symbolism and types from Genesis to Revelation. Throughout the Old Testament, we see symbols and types of Jesus Christ who would come and save man from sin. God is a God of symbolism. Our nation was founded for God and by God. Since the beginning, God has had a plan and purpose for us. If we look carefully, we can see that plan in our past, present and future. God always has a spiritual significance and a natural application in all that He does.

The purpose of this brochure is to see God's hidden plan for the United States and to help us as Christians pray accurately and effectively for this nation. *II Chronicles 7:14* "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." I believe in the natural and spiritual symbolism of the American flag. When you look at the flag, remember not only those brave soldiers who and fought and died for our country, but also remember the One Who died for mankind and wants to use this nation to bless and be a blessing to His kingdom, the Kingdom of God. May God bless you and the United States of America.

Sincerely,
Charles M. Barnes

SYMBOLISM IN OUR FLAG

For more than 200 years, the American flag has been the symbol of our nation's strength and unity. It's been a source of pride and inspiration for millions of citizens. Today the flag consists of thirteen horizontal stripes: seven red alternating with 6 white. The stripes represent the original 13 colonies, the stars represent the 50 states of the Union. The colors of the flag are symbolic as well: Red symbolizes Hardiness and Valor, White symbolizes Purity and Innocence and Blue represents Vigilance, Perseverance and Justice, but have you ever thought about the Biblical symbolism in it?

PRAYING FOR OUR NATION

When you look at the stripes, pray that...

6 WHITE & 7 RED

- Man will always look at the perfect blood of Jesus to live in holiness, purity, and in the light and righteousness of God.

6 & 7 TOGETHER

- We would have natural and spiritual balance of discernment (to recognize what is natural and what is spiritual.)

13 TOTAL

- This nation will not backslide, rebel or live in apostasy but will ALWAYS live in the double portion of the anointing and glory of God.

When you look at the color blue pray that...

- The heavens would always be open over our nation.
- The heavenly authority from above would always guide us through the power of the Holy Spirit.
- We would be reminded of the glories of the resurrection power of Christ and be expecting His return to set up His heavenly kingdom.

When you see the 50 stars with five points, pray that...

50 TOTAL

- Many would enter into His harvest.

5 POINTS

- The gifts to the church (apostle, prophet, evangelist, pastor, teacher) would always stay pure messengers of the light of the Gospel.
- We who believe in Christ (the Seed of Abraham) would come to a greater understanding of those blessings for us and this nation.
- We would always be expectant of the return of our Lord Jesus Christ, at God's divine appointed time, to bring finality and judgment to the spirit of the antichrist and to the Antichrist himself.

When you see the eagle, pray that...

- God would continue to enable us to strengthen the weak; to promote the message of the Gospel of the Kingdom of God.
- America will always support Israel. Let us always have the strength to give to God's chosen people. For he who keeps Israel shall be blessed.

When you see the flag, "Old Glory," pray that...

- We would realize our call to this world as a CHRISTIAN nation.
- We would better understand why God used men to birth this nation— not only for religious freedom, but to fulfill a mission that would aid the Heavenly Kingdom of God— for His purpose and His glory.

When you pledge allegiance to the flag...

You are pledging your loyalty to the natural principles of this country, as well as the spiritual principles of the Kingdom of God.
