# VISION

---

Our vision is to build a facility that will meet the diverse needs of our community. This park would support the needs of all wheeled sports enthusiast including skate boarders, scooters, skates, in-line, and adaptive skaters. The proposed facility will be a safe, family friendly site and world class caliber skate park that will meet the needs of Nassau County, as well as, attract wheeled sports enthusiast from around the country and potentially host major skate competitions in the future.
