

B4H HIV SPOT IT

cut
each
page
into
4
even
cards

Instructions & Rules

1. print 57 cards on pages 1 - 15
2. cut up each sheet into 4 cards - be careful not to cut off an acronym.
3. each card has 8 acronyms
4. there are 57 cards in the deck
5. Place deck of card face down on the table
6. Leader turns 2 cards face up on the table
7. Players call "SPOT IT" when they spot the matching acronyms on the two face up cards
8. Score 1 point for being first to call "spot it" when seeing the matching acronym
9. Score bonus 2 points for being able to explain the acronym to group
10. Other participants can score a bonus points if the spot it caller can not explain the acronym

Session leader:
Prepare cards
Deal cards
Turn up each new pair of cards
Keep score
Keep game moving
Stop for explanations

cut up each page to make 4 cards with 8 acronyms on each.
