

Characteristics of a KW Cares Grant

It is a one-time grant, except as special circumstances may dictate. It does not endeavor to resolve situations more appropriately funded by the government or other social institutions.

KW Cares is not able to give grants for:

- Residential or nonresidential substance abuse facilities or treatment
- Unconventional treatment for cancer or other serious illnesses
- Legal issues such as divorces, child custody issues, adoptions, etc.
- Debt relief, compensation for lost wages, or to bridge gaps in income unrelated to a specific emergency situation
